Re: Keenan Robinson

Dear Mr. Pokorny:

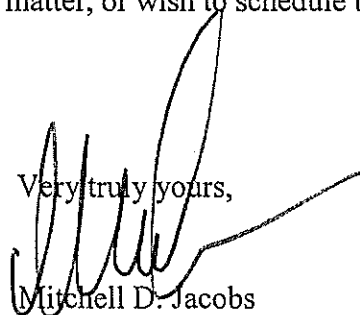

I represent Keenan Robinson. He is currently under your department's jurisdiction and he is currently in need of medical care, which he is not receiving.

My client has injured his right hand several times and currently requires the services of an expert in the field of orthopedic surgery to determine how best to provide surgical correction of a malunion in the hand at the second metacarpal head, medical records enclosed

My client's father has made appointments for this follow up, but my client has never been permitted to attend. Please consider this a renewed demand for immediate treatment with an orthopedic surgeon.

If you have any questions about this matter, or wish to schedule the appointment, feel free to contact the undersigned.

Very truly yours,

Mitchell D. Jacobs
